

Per Capita Tax Exoneration

Exoneration of a per capita tax bill will be considered for the following reasons:

1) Death

If you are a relative of a deceased taxpayer who resided in the district and who passed away prior to the date on which the per capita tax bills were issued, please write a short message on the tax bill stating so and send the bill to the Business Office.

2) New residents who already paid a school per capita tax for the current year

Make a copy of the per capita tax bill receipt for the district in which you already paid your school district per capita tax and mail the receipt copy to the Business Office.

3) Resident who moved prior to the per capita tax billing

Write the date you moved and where you moved on the tax bill and mail to the Business Office.

The mailing address for the above items is:

Antietam School District
Business Office
