Student Assessments

First Steps into Kindergarten will be held on May 31, June 1, and June 2 by appointment. Appointments will be scheduled from 12:45 – 2:45 each day. This meeting will be about 20 minutes and we would love 100% participation. During this time parents/guardians will have the opportunity to meet the principal and see the school. Our incoming Kindergarteners will meet with our staff and do a few quick tasks that will help us to get to know them as students. We will see if they will separate from their parent, recognize their name in print, smile for the camera, and show us how ready they are to start Kindergarten. We hope this is a fantastic start to your child's educational journey here at the Antietam School District.

PLEASE register your child for the 2022-2023 School Year by July 20, 2022 so the District can

best serve the Kindergartners for the upcoming year.
