July 2018

To the Parents of New MPPC Students:

Welcome to Mt. Penn Primary Center! We are excited to start the New Year, and love having new students grace our hallways and classrooms. Antietam School District is a unique district due to our small size, which allows our school community to truly get to know each individual student. In order for you to assist your child in transitioning to a new district and building, we are offering a "New Student Tour" for both parents and their children. Please see information below:

**When:** August 23, 2018  
**Time:** 9:00-9:30  
**Where:** MPPC Auditorium

Our tour will begin with a brief presentation = and then continue with a short tour of our building.

Thank you and I look forward to seeing you on August 23<sup>rd</sup>!
