ALBRIGHT COLLEGE

Uncovering the Genius that Resides in Every Learner

- Total Experience Learning® (TEpL) at Albright College neighbors the Antietam School District + the Antietam Valley community.
- Because of proximity and commitment to educational excellence, we will partner to create a safe and exciting learning environment for students at ASD.
- Allowing our 6th grade students to attend class on a college campus so close to their homes will hopefully provide parents and families with enthusiasm and comfort, knowing the full resources of the campus will be behind these students, and their teachers, every step of the way.

What is the TEpL Academy Model?

Total Experience Learning® (TEpL) School Academy offers middle- and high-school students TEpL instruction directly from Albright facilitators and TEpL educators. Currently two pilots with local schools engage in TEpL learning approaches, either in cohorts at the school site or at the TEpL Center on Albright's campus, while meeting the requirements of the state curriculum.

How does this work in the classroom?

- TEpL will provide trained facilitators in each sixth grade classroom.
- These facilitators will work side by side with our Antietam classroom teachers to ensure that each student is met with personalized, immersive experiences to learn in the Total Experience Learning® methodology.

Additional Support on Campus

- Albright College student interns will provide help to students while they navigate the campus, provide transitional support, and to offer their own experiences.
- We believe the interns will have relatability to the students, serving role models and mentors to the sixth graders.

SCHOOL DISTRICT

Supporting our Teachers

- TEpL is uniquely positioned to support Antietam SD teachers + administrators. A major part of TEpL's core programming is educator professional development, and creating peer-to-peer spaces for teachers in Berks County to share thinking and best practice.
- TEpL will offer professional development training to Antietam SD teachers, as well as invite them to our weekly "Educator Sanctuary," held on Albright's campus, where any teacher in our programming can take advantage of networking, sharing best classroom practices, health and wellness activities, and so much more.
- We know Antietam teachers and administrators are working on overload to ensure a great 2023-2024 school year, and we must do everything we can to support them!

IMPORTANT QUESTIONS

Q: How will you keep my student(s) separate from the college students? Will they be safe?

A: All students will be supervised at all times, by a teacher to ensure supervision. Students will be escorted to all locations, including the bathroom if they are using a shared space. Lunch and recess will be provided in an area separate from the college students.

Q: How will you keep my student(s) separate from the college students? Will they be safe?

A: Albright has its own campus safety and public safety departments, and a public alert/notification system that parents can sign-up for. In addition, Central Berks/Reading PD and our SRO will conduct safety and security drills. All classrooms lock and all buildings are secure.

Q: How will lunch be handled?

A: Lunch will be provided at Albright, and we are hoping to partner with Aramark (the food service provider at Albright) so that our students will be able to enjoy a college dining hall experience! All meals will remain free. Students may pack their own lunch if desired. Breakfast will be provided at MPEC when students arrive.

Q: Will there be a nurse available?

A: Yes. Students will have access to a nurse at all times while on the campus.

Q: What if I need to drop my child off late or pick them up early?

A: All late arrivals and early dismissals will be coordinated from the Albright campus. The location will be provided to 6th grade families. The area will be staffed with full-time office support to facilitate these situations.

Q: How can I get in touch with the 6th grade teacher if I need to get a message to my student or the teacher?

A: You will still call the MPEC office, or will be given the contact information for the 6th grade office support on campus. You can also email the teacher.

Sample Student Schedule (tentative):

8:15 a.m.	Arrive at Mount Penn Elementary Center (MPEC)
8:15-8:55 a.m.	Specials at MPEC
9:00 a.m.	Board school bus to Albright College
9:15 a.m.	Arrive at Albright College
9:15-11:30 a.m.	Instruction time (ELA, MATH, SCIENCE, SS, TExPL)
11:30-12:30 p.m.	Lunch and Recess
12:30-3:10 p.m.	Instruction time (ELA, MATH, SCIENCE, SS, TExPL)
3:15 p.m.	Depart Albright College
3:30 p.m.	Arrive at MPEC for pick-up/CLIMB program/bus drop-off

Q: Will the 6th grade teachers be able to contact the school?

A: Yes. All teachers will be able to be in touch with the MPEC at all times.

Q: Will there be an administrator on-site to help the teachers/students?

A: Yes. There is a full-time administrator for the TExPL Academy program, and in addition, Mrs. Landherr will also oversee the site, and will split her time between MPEC and Albright as needed.

Q: Will my child still have access to the school counselor?

A: Yes. We are working out a schedule for the counselor to be onsite at Albright to check-in with students. In addition, we are working out additional mental health supports through Albright.

Q: How will students navigate the Albright campus?

A: Students will be supervised at all times. If a shuttle is needed to go between campus locations, it will be provided.
