**Request for Proposal
Professional Engineering Services**

The Antietam School District is seeking proposals from professional engineering firms to review the damage to the stone walls along the Stoney Creek and surrounding adjoining property of the Antietam School District caused by flooding and to prepare specifications, plans, bidding documents and contracts for the restoration and repair of the walls and the adjoining property.

Proposals outlining the scope of work and the fees and costs should be submitted to the Antietam School District, 100 Antietam Road, Reading, Pa 19606 Attn: Business Manager or by email at pjanda@antietamsd.org.

All proposals are due by February 17, 2021 at 3:00 P.M.

Any questions can be directed to Ken Bonkoski, Supervisor of Facilities at kbonkoski@antietamsd.org or 484-955-1702.

Thank you for your interest.
